Journey to the land of Elser—a realm of haughty men, proud elves, nimble dellfins, and where Darkness is ever seeking to devour people's souls. Despite the old hostility between men and elves, an uneasy peace has reigned for over a century. But now all that is about to change. Darvir is a man without a past, family, or friends. Exploited by those who use his strange abilities for their own gain, all Darvir has ever known is a life of slavery and bloodshed. Elaine is intelligent, beautiful—a daughter of kings, yet she is an embarrassment and disgrace to her family for going against tradition and wanting to know the truth. Exiled to a remote part of the kingdom, she languishes there in seclusion until a deadly menace forces her to flee. When the paths of these two people cross, they are thrust into a web of peril and sorcery against impossible odds. As Darvir and Elaine both struggle to survive the myriad of dangers before them, an ancient evil is stirring and preparing to unleash a power which none can hope to prevail against. Only two people stand in its path, and they alone hold the key to possibly saving the realm from the fire that comes. A brutal medieval warlord believes his lost true love has returned to him from the grave. A young girl is uprooted from the sheltered life that is all she has known and must learn to survive in a violent and pitiless world where man is wolf to man. A valiant young warrior loses his heart to her, but the unforeseen tears them apart. Fate conspires to throw all three into each others path with shattering results. A colourful cast of minor characters helps to create a stunning, stained-glass-montage of an adventure that will enthral readers young, old, and in-between. By

Discover the transformative lessons from one of humanity's oldest teachers—the
wolf—with this enthralling, accessible, and “beautiful book” (Helen Hunt,
Academy Award–winning actress) that “is rich with meaning, emotion, and spirit.
A must read” (Douglas W. Smith, PhD, leader of the Wolf Restoration Project at
Yellowstone National Park) to help us restore our connection with nature, our
communities, and our deepest selves. Myths from cultures around the world
show that wolves have enthralled humankind for millennia. In The Wolf
Connection, Teo Alfero, shamanic practitioner and wolf conservancy founder,
shows how interacting with wolves and wolfdogs can benefit people from all
walks of life. By restoring our ancestral bond with these resourceful beings, we
can reclaim the best of what it means to be human. The Wolf Connection offers
twelve Wolf Principles to awaken our intuition, live more authentically, and heal
from trauma. The principles draw on knowledge that Teo and the Wolf
Connection sanctuary team have gleaned firsthand through their Wolf Therapy®
education and empowerment program, as well as the findings of wolf biologists
and the wisdom of First Nation elders. Stories from myriad sources including Wolf
Heart Ranch provide a compelling understanding of the lessons wolves have to
offer us. The third book in the erotic, dark paranormal, international bestselling

At eighteen, Cutler escaped the domestic conflict by joining the Department of Paranormal Safety, where he discovered a new vocation, safe from familial strife. Now, as their best agent, he will do anything to preserve the career that rescued him from the trauma of his childhood. As Tarinn and Cutler’s ambitions collide, so do their passions.
