The Perfect Fit In Men's Tailoring Apr 12 2022 Recognise and professionally correct  
fit errors Not every piece that suits halfway fits perfectly. Folds and wrinkles of  
appear in unwanted areas, or the wearer notices an uncomfortable feeling of tightness  
because the garment is too tight somewhere. Body shapes are individual. Skillfully  
fitted garments do not restrict but envelop the body in the best possible way. This  
book guides you from taking the correct measurements and incorporating  
individual proportions to garments that fit like a second skin. Anyone who also  
develops an eye for the respective posture will optimise the fit. Sven Jungclaus  
explains the causes of poor fit based on specific manufacturing defects and offers the  
optimal solution to the most common problems. Use the step-by-step instructions

develop a trained view of individual postures and let the professional tips guide through to the finished garment. Have fun realising your perfectly fitting piece!

**A Tailoring Manual** Nov 19 2022 "A Tailoring Manual" is a classic guide to tailoring with a specific focus on producing woman's outfits and clothing. Written in simple, plain language and full of helpful illustrations, "A Tailoring Manual" is not to be missed by novice needle-workers and those looking for new ideas and inspiration. Includes full instructions for making skirts, dresses, blouses, socks and stockings, and much more. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on tailoring.

**Guide to men's tailoring, Volume 2** Feb 22 2023 Step by step to a handmade men's jacket. Hundreds of steps and thousands of hand stitches are necessary before you hold a finished men's jacket in your hands. The trick is to follow the correct order of the individual steps and combine traditional and modern processing methods. As the first volume of our men's tailoring books, "How to make shirts, trousers, and vests", step-by-step instructions in this book with numerous photos and drawings will lead safely through the fittings to the finished garment. Detailed explanations ensure that you always keep an overview. This book is intended for advanced users with a few years of sewing practice. But even beginners can make use of the know-how in individual chapters. The way to the finished jacket is not short - but with the help of the tips and tricks from master tailor Sven Jungclaus and a little practice, first sewing successes can be achieved quickly ...

**A Stylish Guide to Classic Sewing** Dec 08 2021 The authors of *The Tunic Bible* craft a "clever guide to the DIY creation of tried and true staples of a woman's wardrobe . . . truly inspiring" (Publishers Weekly). Discover the secrets to sewing a stylish wardrobe with staying power! This spirited guide walks you through thirty timeless garments to make for yourself, including a must-have button-up shirt, tailored trousers, a flattering A-line dress, and the indispensable modern classic pencil skirt. With a conversational narrative, the authors have created an engaging, informative guide to sewing by tracing the origins of each garment, along with styling and sewing tips, charming fashion illustrations, and a modeled photo gallery. Pencil skirt pattern and instructions included! "This delightfully illustrated book featuring a conversational narrative chronicles 30 beloved classic silhouettes that lie at the heart of women's wardrobes . . . Each garment chapter laced with fascinating facts and trivia tidbits gives new meaning to why we wear what we wear . . . [a] keen guide to creating a fresh collection of timeless garments." —Elysian "It should be inspirational to those just beginning to sew for themselves as well as those who aspire to it! . . . With this book in hand, you will both sew and dress with confidence."

and style." —Fifty Dresses "This book is so well-written and the illustrations are amazing." —Girls in the Garden

Guide to men's tailoring Dec 20 2022 Step by step to self-sewn men's clothing. You can quickly learn to sew - but tailoring requires passion, dedication and perseverance. Similar to learning an instrument, dexterity and an eye for the essentials must be trained. The step-by-step instructions in this book with numerous photos and drawings lead safely to the finished garment. Detailed explanations ensure that you always have an overview and that the individual working steps are carried out in the correct order; different processing variants leave room for individuality. Absolute beginners may need a little more patience than experienced - but with the tips and tricks provided by master tailor Sven Jungclaus and a little practice, the first successes can be achieved quickly. Those who proudly hold the self-sewn piece on their hands, easily find the courage for further tailoring projects.

Modern Ladies' Tailoring May 25 2023 Finally fitting wardrobe! Only perfectly fitting garments are looking great. From now on, you no longer have to worry about badly fitting pieces with industry-standard sizes. Simply create the patterns for skirts, dresses, blouses, coats, blazers, and pants according to your measurements. Whether you are a professional tailor or sewing is your favorite hobby - this book supports you with practical step-by-step instructions in creating suitable sewing patterns. Get valuable professional tips from master tailor Sven Jungclaus and start sewing!

The Comprehensive Home Dressmaker's Guide to Tailored Suits, Coats, and Capes Sep 17 2022 Every aspect of sewing tailored suits, coats, and capes is included in this handy volume. Extensively illustrated with black and white diagrams, photographs, and drawings. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.

Expert's Guide To Men's Tailoring Oct 06 2021 Any body shape is 'normal' Instead of forcing the customer into a norm, as it happens in the clothing industry with ready-to-wear sizes, bespoke tailoring adapts to the people. Each body is individual and unique. There are no extraordinary body shapes in bespoke tailoring. There is also no 'norm' that should be particularly emphasized since every customer brings challenges. In this book, the proven step-by-step instructions ensure that even less experienced pattern designers can work out the ideal fit for men with trained muscles or a pronounced belly to make jackets, pants, etc. - based on individual body measurements. Master tailor Sven Jungclaus has refined his know-how over the years in a practical way and is now passing on this knowledge in a way that is easy to understand.

A Guide to Modern Tailoring Concepts Apr 24 2023

How to Sew an Apron: A Selection of Aprons for Work and Play - A Dressmaker's Guide Feb 27 2021 "How to Sew an Apron" is a classic guide to making a variety of traditional women's aprons, with chapters on hat making. Written at a time when women would commonly wear aprons for housework and cooking, this volume will appeal to those with an interest in hand crafting vintage clothing and needlework in general. Contents include: "Dressmaking and Tailoring", "Aprons", "Simple Aprons", "Apron Frocks", "Play Aprons", "An Apron", and "Aprons Three". Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on dressmaking and tailoring.

The Scientific Tailor - Based on Geometry - For Factories, Tailors, Ladies' Tailors, Dressmakers and School Purposes Mar 31 2021 "The Scientific Tailor" is a vintage guide to tailoring concentrating on the science and mathematics that underpin its principles. Written in clear, simple language and full of helpful diagrams, this handbook volume is perfect for those with a keen interest in tailoring for pleasure or for profit. Contents include: "First", "Second", "Third", "To Take the Measures", "The Neck Measure", "The Bust Measure", "The Hip Measure", "The Chest Measure", "The Width of Back", "The Length of Front", "The Under-arm Measure", "The Depth of Scye", "The Over-shoulder Measure", "The First Balance Measure", "The

Second Balance Measure", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on dressmaking and tailoring.

Sizing in Clothing May 21 2020 The basic concepts behind sizing systems currently used in the manufacture of ready-to-wear garments were originally developed in the 19th century. These systems are frequently based on outdated anthropometric data and they lack standard labelling, and they generally do not accommodate the wide variations of body sizes and proportions that exist in the population. However, major technological improvements have made new population data available worldwide, with the potential to affect the future of sizing in many ways. New developments in computer-aided design and sophisticated mathematical and statistical methods of categorizing different body shapes can also contribute to the development of more effective sizing systems. This important book provides a critical appreciation of the key technological and scientific developments in sizing and their application. The first chapter in the book discusses the history of sizing systems and how this has affected the mass production of ready-to-wear clothing. Chapters two and three review methods for constructing new and adapting existing sizing systems, and the standardisation of national and international sizing systems. Marketing and fit models are reviewed in chapter four whilst chapter five presents an analysis of the grading process used to create size sets. Chapters six and seven discuss fit and sizing strategies in relation to function, and the communication of sizing. Mass customization and a discussion of material properties and their effect on sizing are addressed in chapters eight and nine. Military sizing and the aesthetics of sizing are detailed in chapters ten and eleven. The final chapter reviews the impact on sizing of production systems and specifications. Written by an international team of contributors, this book is an essential reference to researchers, designers, students and manufacturers in the clothing and fashion industry. Provides a critical appreciation of key technological and scientific developments in sizing and their application Discusses how developments in sizing affect the mass production of ready to wear clothing Reviews methods of constructing new and adapting existing sizing systems

A Tailoring Guide to Pattern Drafting: 1850-1900 Menswear for theatre and film Aug 04 2021 "A Tailoring Guide to Pattern Drafting offers pattern drafting instructions for men's most popular tailored garment styles from 1850 to 1900 as worn in theatres and film productions today. The book features a wide range of 19th century garments, providing information and detailed instructions on the frock coat, morning coat, lounge jacket, smoking jacket, shirt, waistcoats, trousers, and long-riding breeches. It includes a brief history of each garment, accompanied by

colourful illustrations and easy-to-follow instruction to draft historical 19th-century silhouettes for modern performances. The book features: - A brief history of each garment, accompanied by full-colour illustrations. - Modern step-by-step instructions with clear diagrams to draft 19th-century menswear. - Instructions incorporating both the imperial and metric systems. - Recommendations on choosing the appropriate modern-day equivalent fabric. - Recommendations on the quantity of the fabric. - Recommendations on the button size to make the garment appear more authentic. - A table of Dress Code Ethics for Gentlemen from 1850-1900. - Descriptions and visual information on how to take accurate measurements. - Photographs of costumes and images of the 19th-century Carte de Visite for visual support. A Tailoring Guide to Pattern Drafting is intended for anyone with a desire to learn or refine their costume cutting skills for theatre and film production. The book is aimed at undergraduate and graduate students, tutors, and both amateur and professional makers interested in the subject. To access the author's YouTube channel, featuring 130 step-by-step lessons to make a 19th Century Morning Coat using classical tailoring techniques, visit [www.routledge.com/9780367265335](http://www.routledge.com/9780367265335).

Tailoring Aug 24 2020 For the men and women who appreciate the finer things in life, The Le Snobs are your guides to the work of skilled artisans, culinary connoisseurs and inspired designers from around the world. Impeccably stylish and beautifully understated, these handbooks will appeal to anyone seeking perfection and, most importantly, ensure you always know more than everyone else. Witty, assured and informative, these books are the perfect foil for your passion for the finer things in life. Is there a sartorial obsessive in you waiting to get out? A modern day dapper Don Draper? Fond of telling people that strictly speaking, it's a coat, a jacket? Then you need a guide to feed that obsession, to help you discover and invest in tailored clothes. You need Le Snob: Tailoring. Tailored clothes lend poise and authority to the man who wears them. Evocative and richly appointed with known facts, this book is about appreciating the world's most impeccable tailoring to the full. Providing the exclusive knowledge that every true snob must possess plus authentic insights into the lives and skills of expert tailors. Le Snob: Tailoring offers impeccable advice on how to select, wear and maintain fine garments - from bespoke suits to handmade shirts - as well as a directory of the world's most prestigious men's outfitters, from Oxford to Anderson and Sheppard, Le Snob: Tailoring is the perfect fit for any well-appointed bookshelf.

The Mary Brooks Picken Method of Modern Dressmaking 2022 "The Mary Brooks Picken Method Of Modern Dressmaking" is a complete guide to tailoring, originally written with the amateur in mind. With simple, step-by-step instructions and helpful illustrations and photographs, this classic handbook will be of considerable utility to modern readers with an interest in traditional dressmaking.

Contents include: "Dressmaking and Tailoring", "Modern Methods Make Dressmaking Easy", "Threads, Needles, Sewing Tools", "Using Your Sewing Machine", "How to Handle Fabrics Successfully", "How to Make Seams and Finishes", "Essential Needle Stitches and Seams", "Making Seams in Garments", "The Art of Tailoring Seams", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new introduction on dressmaking and tailoring.

**Sleevehead's Guide to Sicilian Tailors (Second Edition)** 23 2023 Sleevehead's Guide to Sicilian Tailors is the first and only comprehensive guide exploring the largely undiscovered world of Sicilian bespoke tailoring. Menswear expert Bruce Boyer praised the first edition as "very impressive and the definitive guide to the subject." This new expanded edition remains the definitive reference on Sicilian tailoring whose signature is a softly structured jacket and whose heritage rivals Savile Row and Naples. The author covers an expanded list of more than 20 tailors across Sicily including the four largest cities (Palermo, Catania, Messina and Syracuse) and two smaller towns (Ragusa and Modica) as well as other artisanal makers of shirts, ties and accessories. Logistical and travel details have also been updated to plan your own sartorial trip. Included is a useful framework comparing Sicilian tailoring to other modern tailoring strategies, showing how it differs from Savile Row and Naples and why it deserves to be known as the third major school of Western tailoring.

**The Compendium of Pattern Making - A Guide for the Dressmaker and Tailor** May 01 2021 This compendium contains a wealth of information about pattern design and cutting that will prove of much interest to today's sewing enthusiasts. Extensively illustrated with black and white drawings and diagrams. Contents Include: Pattern Designing - Designing with Foundation Patterns; Progressive Pattern Making and Cutting Out for Needlework; Your Pattern Cutting; Pattern Making for Dressmaking and Needlework. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for interest and relevance to a modern audience.

**Shanghai Telephone Directory [and Buyer's Guide]** 14 2022

**A Guide to the Archives of the Company of Merchant Taylors in the City of York** 02 2021

**Making Victorian Costumes for Men** 23 2020 During Queen Victoria's long reign there were constant, often subtle, changes to men's clothing in the large, diverse and growing population. This practical book guides you through the male fashions of the time and includes eighteen garments typical of the era. Each project is carefully grounded in historical research, while traditional tailoring techniques

are simplified for the modern costume maker. It is an essential handbook that describes fabrics and tools for pattern drafting, tailoring and costume construction and explains how to get the best results from each. It covers a wide variety of gentleman's attire adaptable for different occupations and social status, including assorted shirts, trousers, breeches, a tailcoat, a jacket, a frockcoat and several waistcoats. There is a full set of patterns for each outfit, along with clear, full construction photographs and finally, the author suggests how outfits can be adapted to fit different sizes and characters, and gives practical insights into the making process. It's ideal for anyone interested in Victorian costumes including theatre designers, theatre makers, re-enactors, historical enthusiasts and live action role-playing (LARP). Superbly illustrated with 232 colour photographs and patterns, it is written by Sil Devilly, a costume maker with over twenty years of experience in both design interpretation and construction.

The Modern Tailor Outfitter and Clothier - Sep 124 2020 Originally published in 1928 in three volumes. These deal with every aspect of the tailoring and cloth trade. The contents of Volume 1 include: Tailoring as a Vocation - Gentlemen's Garment Cutting - Trouser Cutting - Vest Cutting - Measures and Measuring - Coat Cutting - Over Garments - Cutting for Corpulent Figures - Trying On - Manipulation - Anatomy for Tailors - Measuring for Ladies Garments - Skirt Cutting - Coat Cutting - Breeches Cutting - Colour and Clothes - Juvenile Garments - Alteration - Collar Cutting - Catering for American Clients - West End Models - Draft of West End Morning Coat - Scales of Measurements etc. Many of the earliest books on fashion and clothing, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. Home Farm Books are republishing many of these classic works in affordable, high quality, modern editions, using the original text and artwork.

The Compendium of Clothes and Fashion Design and Figure Drawing - a Guide for the Dressmaker and Tailor Jul 15 2022 This compendium contains a wealth of information about fashion design and illustration that will prove of much interest to today's sewing enthusiast. Extensively illustrated with black and white drawings and diagrams. Contents Include: Designing and Planning Clothes; Designing and Decorating Clothes; Dress Decoration and Ornament; Costume Design and Illustration; A Manual on Figure Drawing & Fashion; Costume Design. This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience.

Bespoke Nov 07 2021 The definitive story of the tailors, customers, and clothes of Savile Row, the international destination and renowned epicenter of gentlemen's

style The skilled tailors of Savile Row in London have dressed kings, movie stars, rock legends, billionaires, and even a few regular guys. A Savile Row suit remains an enduring and highly individual symbol of the finest a man can buy. From its origins close to Britain's main royal palaces, the Row has grown from clothing aristocrats to military men, and more recently it has been revitalized by a renewed appreciation of personalized, handmade goods and by a new generation of modern sartorialists. Told through eight chronological themes, this beautifully illustrated celebration brings together Savile Row's highlights and low-lives, the dramas and private tales, the suits and their accoutrements, the fabrics and the cuts, the history and future. Each chapter charts a stage of the Row's development and its contribution to men's fashion and culture. Throughout the book are dispersed twenty-six profiles of today's master tailors, providing insight into what makes their work, relationships, and clothes so special. The book is finely detailed with reference sections on the anatomy and making of the perfect suit.

Tailoring Oct 18 2022 Tailoring is the complete photo guide to sewing jackets and coats. Written by sewing professionals, this book teaches the trusted, proven methods for sewing tailored jackets with impeccable details and perfect fit. Written for the intermediate sewer who wants to move on to more challenging projects, this book ensures success with detailed, step-by-step instructions, more than 400 photographs, and in-depth discussions about products and how to use them. Tailoring offers guidance for every aspect of tailoring a jacket: fitting and pattern alteration, fabrics and tools, interfacings, interlinings, seams and finishes, hand stitches, collars, pressing, topstitching, shaping shoulders, setting in sleeves, sewing pockets, vents, and making perfect buttonholes.

Cutting for All Aug 16 2022 Containing 2,729 entries, Kevin L. Seligman's bibliography concentrates on books, manuals, journals, and catalogs covering a wide range of sartorial approaches over nearly five hundred years. After a historical overview, Seligman approaches his subject chronologically, listing items by century through 1799, then by decade. In this section, he deals with works on flat pattern draping, grading, and tailoring techniques as well as on such related topics as accessories, armor, civil costumes, clerical costumes, dressmakers' systems, fur,

gloves, leather, military uniforms, and undergarments. Seligman then devotes a section to those American and English journals published for the professional tailor and dressmaker. Here, too, he includes the related areas of fur and undergarments. A section devoted to journal articles features selected articles from costume- and noncostume-related professional journals and periodicals. The author breaks these articles down into three categories: American, English, and other. Seligman then devotes separate sections to other related areas, providing alphabetical listings of books and professional journals for costume and dance, dolls, folk and national dress, footwear, millinery, and wigmaking and hair. A section devoted to commercial pattern companies, periodicals, and catalogs is followed by an appendix covering pattern companies, publishers, and publications. In addition to full bibliographic notation, Seligman provides a library call number and library location if that information is available. The majority of the listings are annotated. Each listing is coded for identification and cross-referencing. An author index, a title index, a subject index, and a chronological index will guide readers to the material they want. Seligman's historical review of the development of publications on the sartorial arts, professional journals, and the commercial paper pattern industry puts the bibliographical material into context. An appendix provides a cross-reference guide for research on American and English pattern companies, publishers, and publications. Given the size and scope of the bibliography, there is no other reference work even remotely like it.

Smoking Fabric Jun 26 2023 If you are a modern tailor looking to elevate your skills and take your craft to the next level, look no further than "Smoking Fabric" by Emily Smithton. This comprehensive guide offers invaluable tips and tricks for working with a variety of fabrics, including the art of smoking fabric.
