Your Simple Guide to Reversing Type 2 Diabetes Oct 24 2020 **\*\*The Sunday Times Bestseller\*\*** In this pocket version of his bestselling *Life Without Diabetes*, Professor Roy Taylor offers a brilliantly concise explanation of

what happens to us when we get type 2 and how we can escape it. Taylor's research has demonstrated that type 2 is caused by just one factor - too much internal fat in the liver and pancreas - and that to reverse it you need to strip this harmful internal fat out with rapid weight loss. In simple, accessible language, Taylor takes you through the three steps of his clinically proven Newcastle weight loss plan and shows how to incorporate the programme into your life. Complete with FAQs and inspirational tips from his trial participants, this is an essential read for anyone who has been given a diagnosis of type 2 diabetes or pre-diabetes and wants to understand their condition and transform their outcomes.

Be Still Aug 02 2021 Be still. For some, these two simple words a welcome invitation to slow down. For others, they feel impossible, out of reach in our increasingly noisy world, or simply just too hard to maintain. There is another way. In fact, there are many. In this practical, easy-to-read guide, Brian Heasley explores the multitude of rhythms of Christian prayer and devotion available to every believer. From memorizing scripture and prayer running to noticing beauty everywhere, he demonstrates how we don't need to be static for our hearts to be still, and how even in the midst of a full, busy life, we can spend quiet time with God. Be Still is a prayer book for anyone looking for ways to revitalise the way they pray or who is struggling to make space for devotional time with God. Packed full of ideas for different ways to pray and tips and advice for how to build prayer practices into everyday life, Be Still will change the way you think about prayer and devotion and equip you with all the tools you need to deepen your relationship with God. You can use Be Still individually or in small groups, or read it alongside 24-7 Prayer's new Be Still prayer course. It also makes a great resource for youth leaders looking to help teenagers cultivate daily rhythms of prayer and spend more quiet time with God, or as a gift for people starting out on their faith journey or those returning to faith after a while. Join Brian Heasley, and discover the different ways in which we can all be still.

The Plain and Simple Guide to Music Publishing Nov 24 2020 Wixen lays out the essentials of the publishing side of the music business. Written in a clear and candid style, he cover the essentials for everyone who wants to survive and thrive in today's music industry.

*Happiness Help* Apr 10 2022 \*\* \$1.00 from every book purchased will be donated to the Animal Welfare Institute (<https://awionline.org>) \*\*A. Anthony's "Happiness Help" is a simple guide to help people live happy and contented

lives. He speaks from personal experience, sharing his story of a time when he too wasn't happy and how he worked through his trials and tribulations to live a happy, grateful, and contented life. "Happiness Help" includes a plethora of articles discussing various techniques to be learned and practiced throughout your daily life. The book can be read in any order as each article stands alone, although they are all geared to help the reader on their quest for happiness. While A. Anthony encourages the reader to keep an open mind, he also suggests taking what you need and leaving the rest. The book doesn't promise magical, overnight results, but rather suggests that results may be more gradual, obtained by practicing the principles laid out in the book. A. Anthony comes out of the box with "Let's get right to it...this is not a get happy quick book that will immediately solve all of your problems. If you are not willing to put some effort into being happy, this may not be the correct approach for you." He also says, "I firmly believe that most everyone who is willing to practice the principles set forth in this book will live happy, content, and grateful lives." The book focuses on the importance of mental, emotional, and spiritual health and the techniques and principles used to achieve as much resulting in a happy and contented life, regardless of your circumstances. The author doesn't insist that the reader believe in a certain God or any God at all for that matter, so this book is for everyone, believers and non-believers of a deity. Whatever your belief in a Higher Power, or not, this book can work for you. A. Anthony even offers an interesting way in looking at faith and the universe that may just change the way you think about it all! As the sub-title suggests, Happiness Help is a "simple guide to a happy and contented life". A. Anthony doesn't claim to have reinvented the wheel but has compiled a wonderful collection of self-help related articles that when read, absorbed, and practiced should absolutely result in a happier existence

*Getting Away* Dec 26 2020 Have you ever looked around your cramped apartment and thought about moving away from it all? Driven from your suburban lot to the towering office block and wondered where your morning has gone? Stepped outside into peak hour traffic and wished for clean air and a few trees? This book was written for those who are looking for more than their city life, those who are interested in moving away to the fresh air and wide-open spaces of the countryside. This can take many different forms - you may be looking for a small homestead in the mountains, a farming property in an agricultural region, a house in a small town. But all these dreams have a common desire, a wish for fewer people and more nature. But how do you go about taking the step, turning your

dreams into reality? It's a big change and one which requires planning - you need to know what is ahead of you, both the good and the bad. That's where this book comes in. Easy to read and full of succinct advice, it gives you an overview of the main points which will come up before, during, and after your move to the countryside. With helpful hints to avoid the typical newbie mistakes, it's required reading for any who want to make the jump. Each chapter focuses on a separate part of the process: - Part one focuses on whether you really want to move. We look at the major advantages and disadvantages of living in the countryside as compared to the city, and provide a handy checklist to help decide if you've got the right mentality in place. - Part two looks at finding a new home. The perfect home is of course very dependent on what you want, but we offer a number of helpful tips on things which you should keep in mind. - Part three covers getting used to your new home and avoiding the typical newcomer mistakes. This includes things such as understanding why the town should be enjoyed on its own merits or accepting that you won't immediately be the centre of the town life. - Part four looks at making friends, how to make a good first impression, become more than just 'the newcomer', and how to give back to the region. - Part five involves integration, the ways you should act and the local knowledge you should keep an eye out for in order to truly become part of the community. - Part six is all about gossip, one of the top pastimes in any rural area. We look at a few sanity-saving measures to keep your private life out of the gossip network. - Part seven is there to help you during that moment when you feel lonely or bored in your new life. We offer tips on widening your circle of friends, taking up new hobbies, or getting out of town and trying something new. - The Appendix offers a handy checklist for those who are about to move homes. It won't make the move stress-free but it will certainly save you a few handfuls of hair. Still interested in escaping to the open fields and green forests? Then read on.

*WordPress Beginners Guide 2021* Mar 21 2023 This guide covers all the fundamental points that should be known to everyone interested in designing a successful website using WordPress; the data will be beneficial for anyone new to website designs, particularly brave founders as well as authors and creators trying to create a respectable identity online when they open their first business or begin their first venture. **The Ridiculously Simple Guide to Google Analytics** Oct 16 2022 If you have a website, then you have probably already heard all about rate, exit rate, organic search traffic, and more. They're nice words, but how do you use them to understand your visitors and get more? Google Analytics is a powerful resource that can tell you the smallest details about your visitor traffic, but if you are asking yourself what it means or why it even matters, then you're like most businesses. Analytics is so data heavy that you can be easily overwhelmed and lost. If you are new to Analytics, or even have used it a few times, then this guide will help you understand what's in front of your eyes. It won't get into the weeds with professional tips better suited for professional marketers. It also won't go into detail about advanced Analytics elements—the keyword here is Basics! The goal is to get you started quickly. Ready to get started? Let's go!

**A Simple Guide to Prayer for Beginners** Sep 22 2020 Introduces the Muslim prayer including its actions and its Divine origins through Prophets Abraham, Moses, Jesus and Muhammad.

The Simple Guide to Freshwater Aquariums Jan 07 2022 First published in 2001, The Simple Guide to Freshwater Aquariums has become the bestselling reference in its category, offering an easy-to-understand look at setting up and maintaining a successful first freshwater aquarium. Now in a completely revised second edition, The Simple Guide to Freshwater Aquariums offers comprehensive and authoritative information that will guide new hobbyists to guaranteed success. Written by a renowned aquarium hobby expert, this indispensable guide contains many ideas for tank setups and stocking schemes—with brand new text that makes the subject material even easier to access and understand for the beginner hobbyist. An all-new preface reflects changes in the hobby since the first edition, while two brand new chapters discuss the benefits of routine large water changes as well as what to expect when progressing further into aquarium keeping. The book also adds mention of all new species that are especially recommended for beginners, plus over 150 full-color photos, captions,

*Simple Guide to Attending Hindu Ceremonies* Apr 17 2020 In today's multicultural society we are increasingly likely to meet and become friends with people from different religious backgrounds, and to find ourselves attending an unfamiliar ceremony. When this happens, there can be few of us who know exactly what to expect, or are confident about how to behave. This chapter from *Do I Kneel or Do I Bow?* will tell you everything you need to understand and take part in a Hindu ceremony. Armed with this basic information, you will feel relaxed enough to enjoy the occasion—and perhaps inspired to discover more about the spiritual world view of another cultural tradition.

**A Simple Guide to Happiness** Feb 20 2023 Offering guidance and inspiration to create the joyful journey of your life, this little book invites you to make the choice for happiness. From simply being present to finding your tribe, here are ideas and strategies to engage in the practice of happiness. Words of wisdom from such diverse masters of bliss as Annie Dillard, Oprah Winfrey, and the Dalai Lama provide road signs along the path.

**The Ridiculously Simple Guide to Sketch App** Aug 14 2022 Three years ago, I was in a predicament. I was in a Startup Accelerator (which is a business program for startups, which usually ends with you pitching your idea to investors), and pivoted very early in the program. Problem was, I was neither a coder nor designer. I was just a guy with an idea for a business. The idea of sitting in front of an investor--many whom likely wouldn't be the most tech-savvy people--and trying to explain the idea was daunting. In writing, there's an old phrase: show, don't tell. But how do you show something when you have literally hours before meeting with someone who could potentially give you the funds you need to succeed? In a word: Sketch! Sketch gave me the ability to quickly mockup my idea so that when I met with investors and advisors, I wasn't telling--I was showing them. And they were impressed. It clicked with them more than words could. Many believed that what they were seeing was already done and working. If you are a non-coder, non-designer like me, then this book will give you the foundation you need to create your software or app.

A Simple Guide to Learning English Through Tamil Jul 13 2022 This book has been written for people who speak Tamil as their first language, and who considering migrating - or have already migrated - to English speaking countries.

**Set It and Don't Forget It** May 31 2021 Ever wish you could sit down with a financial advisor for only a few dollars and learn the basics and importance of investing? That is exactly what Joe Romas had in mind. The world of investing does not need to be as complex and intimidating as the gurus make it out to be. Set it and Don't Forget It is a simple guide to investing that will teach you to save for your future. The information contained in this book is useful for, but not limited to: beginning investors; beginning financial advisors- especially those who, like me, have a nontraditional, academic financial background; assistants to financial advisors; experienced financial advisors who wish to provide valuable information to their clients in a clear, concise format; financial advisors whose clients would benefit from clear, concise advice in plain English; high school or college students who are new to the world of investing; teachers who teach and discuss money and/or investing with students."

**A Simple Guide to Depression** Jun 19 2020 This volume is a step-by-step guide for anyone who wants to know about the causes of depression and how to restore well-being.

**The Simple Guide to Understanding Shame in Children** Mar 29 2021 · What is shame? · How does it affect children? · How can adults help? The perfect starting point for any adult or carer working with children who have experienced shame, this guide provides straightforward answers and explanations to both common and complex questions. At a time when children are more likely than ever to experience shame, the accessible advice in this book helps adults to boost children's self-esteem. Betsy de Thierry navigates the need to understand its impact and the reasons behind it, as well as how to reduce its hold on self-confidence. Reassuring advice will also help revitalize adults' abilities to face the challenges of supporting children affected by shame. It will teach them how to restore self-esteem.

Simple Guide to Attending Buddhist Ceremonies May 19 2020 In today's multicultural society we are increasingly likely to meet and become friends with people from different religious backgrounds, and to find ourselves attending an unfamiliar ceremony. When this happens, there can be few of us who know exactly what to expect, or are confident about how to behave. This chapter from *Do I Kneel or Do I Bow?* will tell you everything you need to understand and take part in a Buddhist ceremony. Armed with this basic information, you will feel relaxed enough to enjoy the occasion—and perhaps inspired to discover more about the spiritual world view of another cultural tradition.

The Simple Guide to Collective Trauma May 23 2023 · What is collective trauma? · How can it impact children and communities? · What can we do about it? Providing accessible answers to these complex questions and more, this guide explores the key characteristics of collective trauma and provides practical advice on how to help children, young people and communities to heal. Collective trauma affects communities, families and individuals. This book highlights its impacts and with examples such as grief and loss, outlines how it can manifest. With guidance on building individual, communal and cultural resilience, this book is an invaluable resource to better understand and support children and young people dealing with collective trauma.

**A simple guide to Train The Trainer** Oct 04 2021 The most rewarding thing about becoming a trainer is that you play an integral part in bringing about changes in people's skills, knowledge and attitudes. This means a trainer can have a positive effect on any organisation and an individual's life. I believe anyone could become a trainer if it were just about telling or showing what you know. But to pass on knowledge with professionalism and passion takes time, practice and a real desire to make a difference, whatever your subject.

**The Simple Guide to Child Trauma** Jun 24 2023 · What is trauma? · How does it affect children? · How can adults help? Providing straightforward answers to these complex questions, *The Simple Guide to Child Trauma* is the perfect starting point for any adult caring for or working with a child who has experienced trauma. It will help them to understand more about a child's emotional and behavioural responses following trauma and provides welcome strategies to aid recovery. Reassuring advice will also rejuvenate adults' abilities to face the challenges of supporting children.

**A Simple Guide to Technology and Analytics** Apr 29 2021 "Everyday technology is constantly changing, and it's hard to keep up with it at times. What is all this talk about automation, STEM, analytics and super-computers, and how will it really affect my daily life at work and in the home? This book is a simple guide to everyday technology and analytics written in plain language. It starts with explaining how computer networks are increasing in speed so fast that we can do more in less time than ever before. It explains the analytical jargon in plain English and why robotics in the home will be aided by the new technology of the quantum computer. Richly furnished with over 200 illustrations, photos and with minimal equations, A Simple Guide to Technology and Analytics is a ready reference book for those times when you don't really understand the technology and analytics being talked about. It explains complicated topics such as automated character recognition in a very simple way, and has simple exercises for the reader to fully understand the technology (with answers at the back). It even has explanations on how home appliances work, which are very useful the next time you go shopping for a microwave or TV. Even the Glossary at the back can be used as a quick look-up explanation for those on the go"--

**The Simple Guide to a Minimalist Life** Jul 25 2023 Minimalism does not mean going without. It means understanding all you need, to be the best version of you. Simplicity does not mean lack of. Simplicity means freedom.

The stupidly simple guide to stop wasting your life is exactly that. A simple way of getting your life on track. By making just a few changes. So, simple it's child's play.

**The Ultimate Beginner's Guide to Content Writing** Nov 17 2022 "This book is all you need to write online content that will convert." This is an interview with the author of "The Ultimate Beginner's Guide to Content Writing".

Q. What makes your book different from others in this niche? A. Most of the books on content writing focus on SEO. SEO is great. You need to apply the rules to rank and feature on the first page. However, how good is a number one position when most of your traffic is bouncing off your pages? Three elements must feature in a successfully written post. First, you must grab attention. Second, you must stir interest and curiosity. Third, you must sustain curiosity. When a link is broken, readers skim your content, they hardly click on your affiliate offers, and consequently, they just leave to other websites. So, with all the SEO work, you're still not converting your traffic. This particular aspect that many writers shy away from is what this book is about. How to create written content that converts. How do you write in a way that will make me want to read every line?

Q. Can you comment on the structure of the book? A. There are nine chapters in the book. The first chapter is where the reader gets the reality check about writing for the internet. It contains thirteen common mistakes new content writers make. Chapter two talks about writing for the internet. It poses the six fundamental questions every writer must answer. It is the prewriting stage. These questions are meant to guide the writer in coming up with amazing written content. Chapter three focuses on how to write a blog post. It contains simple steps to creating a blog post. Each step is discussed extensively. Chapters four and five focus on two important aspects. Chapter four is on headlines. It is possible to rank as number one for a search term and still lose traffic to those in numbers three and four. Eventually, you will lose that ranking. This is because the headline fails to grab attention. Chapter five deals with introductions. First impressions also matter on the internet. You can either gain traffic or lose it with your introduction. It is where you ignite curiosity and at the same time state the value proposition - what you will talk about subsequently. Chapter six deals with long-form content. It is okay to write 500-word blog posts. However, research (included in the book) has revealed that long-form content converts more and attracts more shares. This chapter helps the reader to construct long-form content that will convert. Chapter seven focuses on proofreading. How do you ensure that your work is error-free? Most bloggers don't have professional proofreaders to go through their work. This chapter teaches you how to proofread your work yourself. It also suggests free online tools that can aid proofreading. Chapter eight deals

with writing for SEO. This is a very fundamental aspect. However, SEO is not as difficult as many make it. On-page SEO is mostly what we are going to be dealing with. This chapter teaches how to write SEO-optimized articles that can rank number one on Google. Chapter nine is the final chapter. It focuses on two aspects: copywriting and email marketing. The first aspect provides four important steps to writing copies that convert. This aspect also applies to email copies. It is useful for landing pages, web copies, and of course email copies. A rare aspect that this book also covers is how to land in the Primary folder of the Gmail inbox. Q. What set of people will this book benefit the most? A. This book will benefit everybody that writes for the internet. As long as you create written content, this book is for you. It is the beginner's manual to creating content that converts. There is no niche restriction on this. Whether you write in the medical niche or woodworking niche, this book is highly useful. Thank you for your time.

*Simple Living* Aug 26 2023 What exactly is minimalism? How can it be beneficial in this day and age? "Simple Living: The Beginners Guide to Minimalism" will explain all of that and more. It can be difficult to make the transition to a more simplified lifestyle as the trappings of the materialistic lifestyle are extremely strong but with this book as a guide, it is all pretty easy to do. The main aim that the author has is to show how minimalism is the way to live a happier, healthier life.

*Minimalism* Sep 15 2022 Is your life cluttered, overly-busy and filled with time-consuming chores that don't make you happy? Adopting a minimalist approach to your life will change the way you live it! In today's consumer-driven society, 'things' have replaced people. We work hard to possess the very things that consume our time, and make our lives feel empty and meaningless. Another way exists, that focuses on eliminating the physical, mental and emotional clutter in your average day. In *Minimalism*, I'll take you through a total overhaul of your current lifestyle, habits and mindset. You will discover that by switching to minimalism, you'll make room for the things in life you've been missing - love, family, free time and reconnecting with who you are, and what you want. In this book you'll discover: -The main reasons why people switch to a minimalist lifestyle -How to declutter your space like a minimalist pro -Where to start when decluttering your social life -Applying minimalism to your finances for better results -How minimalism impacts your mind and becomes a core habit -The main lessons that minimalism teaches us about a happy life It's been a long time since you reassessed what you do, and what you have. Minimalism will free you from the endless barrage of wanting, FOMO and inadequacy the consumerist system inspires. You have the power to change how you live your life. Bring it all back to what matters and throw away the rest! Return to a simpler, happier way of enjoying how you live. Discover the practice of minimalism with this step-by-step guide. Buy it now to learn how! Chapter 1 Excerpt "Minimalism: Beginners Guide to Minimalism "
