A visual exploration of the transit histories of twenty-three US and Canadian cities. Every driver in North America shares one miserable, soul-sucking universal experience—being stuck in traffic. But things weren't always like this. Why is it that the mass transit systems of most cities in the United States and Canada are now utterly inadequate? The Lost Subways of North America offers a new way to consider this eternal question, with a strikingly visual—and fun—journey through past, present, and unbuilt urban transit. Using meticulous archival research, cartographer and artist Jake Berman has successfully plotted*

maps of old train networks covering twenty-three North American metropolises, ranging from New York City's Civil War-era plan for a steam-powered subway under Fifth Avenue to the ultramodern automated Vancouver SkyTrain and the thousand-mile electric railway system of pre-World War II Los Angeles. He takes us through colorful maps of old, often forgotten streetcar lines, lost ideas for never-built transit, and modern rail systems—drawing us into the captivating transit histories of US and Canadian cities. Berman combines vintage styling with modern printing technology to create a sweeping visual history of North American public transit and urban development. With more than one hundred original maps, accompanied by essays on each city's urban development, this book presents a fascinating look at North American rapid transit systems. Mind the gap! The London Underground is a cross between a carnival ride and a natural disaster. Imagine running a life-threatening gauntlet with jugglers and clowns, just as an earthquake hits! Arm yourself with the knowledge in this book and you will dominate the London Underground like a Boss! You need your wits about you, so it is lucky you have come across this survival guide. Otherwise you may not know how to deal with a pole-hugger or a village idiot. A side-swiper can cause more chaos than a loose tennis ball in a dog pound. You may not have even heard of the term side-swiper so it is imperative you read this book.

**IMPERATIVE!!** Shiver me timbers, you will need this book if you have just arrived in London! The only guide you will ever need to travel around New York City by subway. From the theater district of trendy Manhattan to the quaint residential neighborhoods of Queens, every single station in the four boroughs has been researched to help you maneuver the system like a pro. Highly informative and resourceful, highlights from Dave Frattini's *The Underground Guide to New York City Subways* include: \* Noteworthy stations featuring the best in underground art \* The best nearby restaurants for affordable, informal and ethnic dining \* Insightful historic information on the IND, BMT, and IRT transit lines \* A token rating scale that gives an honest assessment of each station's - Decor - Cleanliness - Safety - Surrounding neighborhoods - Nearby points of interest such as museums, theaters, parks and shopping New York City residents and visitors alike will find this comprehensive handbook indispensable for riding the mass transit rails. Life is often like a subway ride. Actually, it's more like riding the subway without holding on. The subway is simply a microcosm of life - every day, the rhythm and diversity of all humanity is there on display, whether it's competition (making a run for that prime seat), or choosing to hide in a favorite paperback. Who will start up a conversation? What could a hello lead to? *Subway Life* is a simple metaphor for the everyday, and for the situations we all face. *Subway Life* is about life and how we choose to live it. The most convenient way to travel in New York City is by subway, but many first-time tourists, and even locals find the complexity of the system intimidating and confusing. Whether you are a first-time visitor or have struggled to use the subway in the past, this guide is for you! This book makes absolutely no assumptions about what you know about taking public transportation in New York. Illustrated with more than 70 pictures and figures, this detailed guide breaks down everything you need to know about using the subway. Filled with detailed information and many pictures, this guide will alleviate your fear and confusion about taking the subway and allow you to navigate it confidently and effectively. What this guide includes: - A step-by-step guide on how to use the subway - Dealing with weekend and weeknight service changes - 70+ pictures and figures allowing you to visually understand the system - Tips, tricks, and subway etiquette - Getting from New York's three major airports into Manhattan Excerpt from *The New "Red Book" Information Street and Subway Guide to New York City, Manhattan and Bronx Boroughs: With Indexed Map, Also Sectional Maps; Official Information of Streets, House Numbers, Trolley Lines, Elevated Routes,*

The "Beijing Complete public transport guide" specifically designed for all English-speaking tourists and visitors to Beijing. This guide will enable you to get around Beijing with confidence and ease. The guide will save you lots of time and money. It was designed as a way to help you find the information you need quickly. Beijing is a huge metropolis. Most of its people do not understand a word of English. In addition, when you finally find English speakers they seldom have the information you need to get to your destination. Taxi drivers often do not understand English. They often refuse driving long distances or take you to the 'general destination' only, which may be several kilometers away. Traffic jams are very common and taking a taxi can prove to be a costly and time-consuming exercise. Beijing's extensive public transport system, including buses and subways, offers the most cost effective and efficient way to travel. The "Beijing Complete public transport guide" has extensive information on Beijing's public transport system - including details of over 22,000 bus and subway stations. The guide has detailed information sorted by \* Time tables \* Bus & Subway routes \* A full list of bus stops, sorted in both English - Chinese and Chinese - English \* A full list of popular destinations (such as major tourist attractions, markets, museums, temples, universities, hospitals, parks) and how to get there using public transport. \* Most popular and highly appraised hostels The guide includes both English and Chinese names and characters throughout. This will enable any non-English speaking Chinese to help you. Just point the right spot in the guide. If you have any comments or requests please contact us on [sefer4u@gmail.com](mailto:sefer4u@gmail.com) We trust you find this guide very simple, useful, and comprehensive \*\*\* NEW SUPER-SIZED EDITION 8.5" x 11" \*\*\* Hello fellow traveler! Congratulations on choosing Seoul as your next destination where you can enjoy one of the best subway (or metro, depending on where you come from) systems in the world, rated by CNN and Jalopnik (some name-dropping right here). What makes Seoul's subway stand out? Maybe it is the cutting-edge technology like 4G LTE, WiFi, DMB, WiBro you can use while riding on it, but 11 million people who visited Korea last year (2015) can agree that: -It is punctual, safe, and so well-connected to cover every corner of the city. You can go anywhere you want, just by taking the subway alone. -It is very affordable (dirt cheap)! So we have created this unique travel guide so you can visit Seoul's top attractions just by taking the subway alone! This is something never done by any other travel guides before. In this book, you will find -Step-by-step guide to taking the subway, from getting your own subway card to making transfers. -Complete details of the subway system, including fares and characteristics of each line. Now the fun part: -More than 60 of Seoul's top attractions sorted by subway lines and stations (both English and Korean, along with how to say it). They are all within walking distance (under 2km or 1.2miles) from the moment you exit. -Pictures with complete details of the attractions including address, home page, and history/background information, as well as thorough turn-by-turn directions. -Our unbiased review of the places, and an intuitive 7-star rating system. -Tour routes by theme - we analyzed the best possible routes to make sure that

you save time and not miss any of those essential spots. We included how much time it takes, when to get on/off, and make a transfer. Whether you have already been to Korea or it is your first time visiting, this guide will add a whole new dimension of traveling (I bet a lot of local Koreans don't know about many of the places we included here). So, what are you waiting for? Get your backpack and let's get on the train! \*This title is enrolled in Kindle MatchBook - if you purchase a print copy of this book, you get an ebook version for free\* Containing insider advice and tips on how to pass the London Underground train driver selection process, this book is a comprehensive guide for anyone who is serious about becoming a subway train driver. With this ultimate getting started game guide of Subway Surfers, learn the basics and become an expert in an Hour Here what you will learn - \* How to Download for Free \* Overview & Basic Information \* Advanced Tips and Strategies \* Detailed Easy to Follow Instructions \* How To Play \* Hacks & Cheats for the Game \* Tricks, Unlockables, and Advice From Top Players \* And Much More.... This guide will help you crush your opponents and become a pro!.. Click the Buy Now Button Now!! Subway surfer is a running game where a player runs through metro being chased by a dog and a police inspector. The runner unlocks many characters and collects coins. There are several editions of the game at present, but they are all played in the same way. When the player crashes into the obstacles on the way, he has to restart the game. There are other points and bonuses collected in the course of running through the busy metro. The points and coins gathered activate the special feature in the game. The game was first released in May 2014. It has several versions that run both on the iOS, android, iPad, and recently there are computer versions. In Subway Adventure Guide: New York City, residents and tourists alike gain access to off-the-beaten-path adventures in a compact guidebook format and see the New York City that's not featured on postcards sold all over Manhattan. Each of the roughly three dozen end-of-the-line destinations spread out over New York City's five boroughs included in this easy-to-use guide, from restaurants and bars to landmarks and museums, are highlighted in great detail by authors Kyle Knoke and Amy Plitt—what to order, what to see, and how to get there. For even better exploring, each destination is organized by the more than 30 subway lines that run through the city, including handy maps with street names. From delighting in a little-known ethnic restaurant to admiring a local landmark, each adventure contained in this photo-packed pocket guide reveals a new hidden gem of the city. Van Cortlandt Park. Far Rockaway. Bay Ridge. Flatbush Avenue. Subway Adventure Guide: New York City takes you away from the tourist traps and closer to a genuine New York City experience. With smartphones becoming cheaper and every Tim, Dick and Harry getting one, the mobile gaming market has boomed. Today, we have come a long way from that simple ever-growing snake game. With the dawn of Temple Run, mobile gaming saw a new revolution. From the usual simple, single goal oriented games, we switched to never ending games that had multiple missions! Subway Surfers is one of those games. Created by Kiloo & SYBO games, the game is a never-ending game. A character, a male or female teenager or young adult, who is vandalizing a subway train with some spray paint, represents the player. An Inspector and his dog then catch the character in the act and the aim of the game is to run away from the two and not get caught. The game has a "World Tour" theme and the location of the game is changed on a monthly basis, such as Rio de Janeiro, Tokyo, Sydney, Mumbai, New York, Rome, Miami, etc. The game starts out with you playing "Jake," the default character. As the game progresses, you can use tokens or coins to unlock more characters and outfits. The game is currently available on three platforms - Windows Phone, Android and iOS. This book contains detailed information about the game, from all the features, objectives, power ups, characters, hover boards, etc. as well as including

a chapter of things you should keep in mind while playing the game! I would like to take this opportunity to thank you for purchasing this book and I hope you will find the content of this book helpful! Exclusively Made for Kids - Become a Dominating Player in Subway Surfer This book reveals the ultimate tips and tricks, shows you how to play Subway Surfer effectively to gain high scores and use tokens and prizes efficiently! Learn how to install and play the game on any Phone, PC, or Tablet This book also illustrates what you need to know about the game, how to play on both mobile and desktop as well as tips and strategies for winning the best score. Help, tips, strategies, getting coins, walkthroughs, and the complete guide are also included with the order. Here are more details as to what is included when you purchase: Setting Up The Game Like A PRO Game Play Power-Ups Missions And Challenges Mystery Boxes, Keys And Awards Cheats And Glitch Tips Following this guide you can get the game installed and begin playing right away in as little as a few minutes! By the end of the book, you will learn how to- Calculate your score using multiplier Get unlimited coins in a short while Complete daily missions easily Achieve a score of about one million Click "Add to cart" and receive your book instantly! Released in 2012, Subway Surfer made a boom to mobile devices. This app offers amazing gameplay, awesome graphics, and easy controls. This guidebook gives a fundamental guide to new users of how to play Subway Surfer effectively to gain high scores and use tokens and prizes efficiently. This book also details what you need to know about the game, how to play on both mobile and desktop as well as tips and strategies for winning the best score. Click BUY NOW button to grab your own copy for getting started! Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works. A history of the Brooklyn Manhattan Transit Corporation from 1923-1939 as seen through original source documents such as maps, guides and brochures. Includes full color images of every map and service guide issued by the company as well as brochures for all of the experimental cars in its roster. Finally, it includes a map of the BMT trolley and bus routes as well as the service guide the BMT issued for its bus services. The section on trolleys also includes excerpts from the BMT Monthly describing the PCC car. A must-have for anyone interested in the history of the New York Subway System. This book expands upon the first edition, adding information about some of the BMT subway cars and trolley routes. The most convenient, cost-effective way to travel in New York City is by subway, but many first-time visitors, tourists, and even locals find the complexity of the system intimidating and confusing. Whether you are a first-time visitor or have struggled to use the subway system in the past, this guide is for you! This book makes absolutely no assumptions about what you know about taking public transportation in New York or elsewhere. Illustrated with more than 70 pictures and figures, this detailed guide breaks down everything you need to know about using the subway — from the ground up. You'll learn how to read the subway map, properly differentiate between the many subway lines, and identify the correct trains and platforms. Filled with detailed information and many pictures, this guide will alleviate your fear and confusion about taking the subway and allow you to navigate it confidently and effectively so that you can focus on enjoying New York City. What this guide includes: A step-by-step guide on how to use the subway system Dealing with weekend and weeknight service changes Frequently asked questions about the subway 70+ pictures and figures allowing you to visually understand the system Tips, tricks, and subway etiquette Getting from New York's three major airports into Manhattan From Barnet to Richmond, explore the history of London's Metro-Land A Guide to Modernism in Metro-Land is your essential pocket guide to the modernist architecture of London's suburbs. Inspired by John Betjeman's 1973 documentary Metro-Land and the writing of Ian Nairn, it examines the growth of the city's suburbs from the 1920s up to the present day – a story that is closely interwoven with the development of innovative architecture in Britain – through its most remarkable modernist buildings. Featuring work by architects such as Charles Holden, Erno Goldfinger and Norman Foster, the book covers nine London boroughs and two counties: Barnet, Brent, Ealing, Enfield, Haringey, Harrow, Hillingdon, Hounslow, Richmond, Hertfordshire and Buckinghamshire. It is designed to help you

explore Metro-Land's modernist heritage, featuring short descriptions of each building alongside maps of the areas covered, and more than 100 colour photographs. *Subway Surfers*, created by Killoo & SYBO games, revolves around a male or a female teenager who is vandalizing a subway train with a can of spray paint. An Inspector and his dog catch the character red handed. The goal is to run away without getting caught. The "World Tour" theme in this game enables a monthly change in its location. The locations are quite varied and exciting. The default character in the game is "Jake." You can use coins or tokens for unlocking the different characters available as you progress through the game. The three platforms for which this game is available are Windows, Android, and iOS. This book contains all the information that you might need about this game and includes covering the different features, objectives, power-ups, characters, and so on to help you make the most of your gaming experience. Don't go to Korea without this book! Whether it's because of K-pop, Korean movies and dramas, or Korean food, congratulations on choosing Seoul as your next destination, where you can enjoy one of the best subway systems in the world, rated by CNN and Jalopnik. Why travel by Korean subway? The obvious answer is that it's the most efficient and budget-friendly way to visit Seoul's top attractions. It's safe, punctual, and well-connected to cover every corner of the city. You can go anywhere you want, just by taking the subway alone, with the opportunity to interact with the local people and experience their culture! This is precisely why we created this unique travel guide: you can visit over 100 of Seoul's top attractions just by taking the subway alone! In this book, you will find: - Seoul's top 100 attractions, sorted by subway lines and stations (in English, Korean, and Chinese). All are within walking distance from the moment you exit. - Complete details of the attractions, including address, website, history/background information, and travel tips. - Complete details of the subway system, including fares and characteristics of each line. - A map of each line, as well as how to access an interactive map using your phone. - Step-by-step guide to taking the subway, from getting your own subway card to making transfers. - Local travel tips, such as where to find public restrooms while inside a station or when you're out on the streets. Also, we'll show you where to find storage facilities to leave your belongings securely. - Essential applications you should get to make the most of your tour experience in Korea! These include the subway app, navigation maps with turn-by-turn directions, as well as a multi-language AI-based translator app! For each attraction, there is a map to give you a general understanding of the location, how to get there, and how long it would take. But for your maximum convenience, we included a scannable (for paperback books) or clickable (for eBook) QR code, which will open the navigation map app, with the location pre-set as the destination. We've done all the work, so you can simply hit the depart button and follow the directions without you having to type in addresses. - Themed tour routes - Let the eating begin! A spiritual getaway? Want to hit the shops? A royal experience? We analyzed the best possible routes by theme to make sure that you save time and do not miss any of those essential spots. Whether you have already been to Korea or it is your first time visiting, this guide will add a whole new dimension to traveling. Have fun exploring Korea! This opening fold-out contains a general map of Prague to help you visualize the 6 large districts discussed in this guide, and 4 pages of valuable information, handy tips and useful addresses. Discover Prague through 6 districts and 6 maps Stare Město Josefov/ Letná Hradčany Mala Strana Nove Město/ Vysehrad Vinohrady/ Zizkov For each district there is a double-page of addresses (restaurants -- listed in ascending order of price -- cafes, bars, music venues and stores) followed by a fold-out map for the relevant area with the essential places to see (indicated on the map by a star \*). These places are by no means all that Prague has to offer but to us they are unmissable. The grid-referencing

system (A B2) makes it easy for you to pinpoint addresses quickly on the map. Transportation and hotels in Prague The last fold-out consists of a transportation map and 4 pages of practical information that include a selection of hotels. A thematic index lists all the sites and addresses featured in this guide. \*\*\* NEW SUPER-SIZED EDITION 8.5" x 11" \*\*\* Hello fellow traveler!
