School Newspaper Adviser's Survival Guide Mar 18 2023

Packed with tested tips, techniques and time-savers--including over 100 reproducible exercises, forms and letters--School Newspaper Adviser's Survival Guide helps you in all aspects of the job--from organizing staff and workspace, and handling production details, to training students in good newswriting style and the journalistic approach. Four sections cover

staff organization and mission, newswriting, layout, and time management.

Introducing the Language of the News Nov 14 2022

Introducing the Language of the News is a comprehensive introduction to the language of news reporting. Assuming no prior knowledge of linguistics, the book provides an accessible analysis of the processes that produce news language, and discusses how different linguistic choices promote

different interpretations of news texts. Key features include: comprehensive coverage of both print and online news, including news design and layout, story structure, the role of headlines and leads, style, grammar and vocabulary a range of contemporary examples in the international press, from the 2012 Olympics, to political events in China and the Iraq War. chapter summaries, activities, sample analyses and

commentaries, enabling students to undertake their own analyses of news texts a companion website with extra activities, further readings and web links. Written by an experienced researcher and teacher, this book is essential reading for students studying English language and linguistics, media and communication studies, and journalism.

Student Publications Jul 30 2021

Journey to the West Jul 18 2020

This is a trilogy chronicling the amorous, intellectual and artistic adventure of a college student from Hong Kong called Tom, portraying him exchanging ideas and

knowledge relating to western visual art from the Gothic Period through the Romantic Period with his fellow female student Sonia and the two developing at first a very good intellectual relationship and eventually a love relationship as they go through an intellectual and artistic experience from start to finish. Tom and Sonia have their own dream lovers, Tom being infatuated with a Eurasian girl called Anastasia (half Russian and half Vietnamese) with whom he had a kind of a one-night-stand in Berlin during the summer vacation before the current term began, and Sonia being attached to her boyfriend who is still studying in

Cambridge, England. As the story unfolds, because Anastasia has disappeared from Tom's world with neither explanation nor any contact details, Tom has been trying to track her down ever since his return from Europe, succeeding at last with the help of a friend to re-establish contact with her; and surprisingly Anastasia asks Tom to come over to join her in Greifswald, a small university town on the Baltic coast where she is studying art history, which Tom does at once to find himself joining Anastasia on an artistic trip to explore the famous fairy-tale castle of Neuschwanstein in Bavaria before heading for Greifswald,

where the two lovers, their love rekindled, enjoy their sojourn in this Nordic land, loving each other and attending lectures on Romantic artists such as Caspar David Friedrich at the university, until one fine day Anastasia is called back to Russia to attend to her sick mother, leaving Tom all alone in this Viking land. To deal with his plight Tom soon meets up with Sonia in England. On his way flying to London via Iceland Tom stopovers in Reykjavik and has a great time, experiencing the Icelandic landscape and seascape and even bumping there into a friend from Hong Kong! Sonia soon joins Tom in London and then goes up to Cambridge to

see her boyfriend, only to find him already attached to another lover, leaving her broken-hearted to return to London, to whole-heartedly start an artistic exploratory journey with Tom in London and then all the way, by train, to Vienna, where Tom has been the previous year with his father. While still in London the two go to museums and galleries to study great works by such great artists as William Turner, John Constable and William Blake, which got them ready for the next stage of their artistic exploration of Romantic painters in Vienna. Remarkably, once in Vienna Tom takes Sonia first of all on a culinary trip rather than on an

artistic one, to savour Viennese specialities in pastry and coffee, while Sonia, beginning to fall in love with Tom, signals to him her affection before they actually go for museums and art galleries. The city fascinates Sonia and their last days there are spent happily studying works by Dürer, the Dutch Masters and Gustav Klimt; waltzing all night long in Stadtpark (City Park); visiting the Vienna Boys Choir in their Augarten home and enjoying Andre Rieu's concert in Schönbrunn Palace just hours before flying home, with their mutual affection definitely reaffirmed at Vienna Airport! **The Tiger (student Newspaper), Sept. 1912-**

The Fax! Programme Aug 11 2022 "fax!" is a European educational program which encourages European schoolgoers to participate in media production at the European level by enabling them to produce a multi-lingual newspaper by fax. The project entails a diversified range of activities in accordance with the teaching objectives and strategy of the school itself: educational technology, the

fostering of an awareness of Europe and media studies. The three years of experimentation are outlined: background; project development (November 1989-August 1992); the transition from project status to a program with its own management structures; methodology and planning; the working environment; and a discussion on how to participate in "fax!." The benefits of the program include helping students develop a critical attitude towards the media, providing a lesson in responsibility, and making communication accessible. Appendices include: the "fax!" charter; the principle links in Europe; issue themes and

languages used in "fax!"; project scope and development; publication techniques; sample data sheets; examples of collaboration and similar experiments; resources, references, and tools; and press coverage. (AEF)

The daily experiences of students, their involvement in local communities, national political organisations and widespread cultural changes, are the main focus of this ground-breaking book. It takes students themselves as the subject of inquiry, exploring the fundamental importance of student activities within wider social and political changes and also how some of the key

changes across the twentieth century have shaped and changed the make-up, experiences, and lives of students. This book charts the experiences of students throughout a period of unprecedented change as being a student in Britain and Ireland has gone from the endeavour of a small number of elite, mainly wealthy white men, to an important phase of life undertaken by the majority of young people.

Private Schools and Student Media Apr 19 2023 Private Schools and Student Media: Support Mission, Students, and Community explores the activities of student media outlets, content creators and

advisers in K-12 private schools in the United States. The unique nature of private schools, separate from government funding but not all government oversight, creates its own opportunities and challenges for students seeking their own outlets to pursue questions, answers and voice. Through surveys and content analysis of schools, student media advisers and student media work, Erica Salkin explores the reality of censorship in private schools—where the First Amendment does not play the same role as in public schools—and the perspectives of teachers who dedicate time, effort, and expertise to make

the learning laboratory of the student newspaper or yearbook a reality. Ultimately, this book proposes that student media can be a significant asset to a private school's mission, students, and school community: to prepare young people for lives of service and good citizenship. Scholars of communication, media studies, journalism, and education will find this book particularly useful.

College on the Rocks Jan 16 2023 College on the Rocks is a collection of humor columns published for The Duquesne Duke, Duquesne University's weekly student newspaper, by multi-time award winning humor columnist David Jakielo.

This laugh-out-loud series of columns, in chronological order, showcase the progression of a humor columnist as he writes about topics that range from his being Santa Claus in a local community to dancing topless at Spring Break in Cancun with Santa Claus. Other topics include: Davids Dad Turning 50: He is one-year closer to collecting social security while I am one-year closer to obtaining the deed to our house. Academic Tests: Tests call for the student to become addicted to caffeine pills so that they can commit many terms and ideas to short-term memory. The Job Fair: A job fair is where representatives

from various companies gather to briefly speak with many unemployed people they have little interest in hiring. Body Hair: A puberty-related matter that consistently haunts us throughout life, especially when it clogs our shower drain. How to Find the Right Dentist: Ask yourself important questions like, Why is there a power chainsaw in the dentists office? and Why is this dentist toothless? This is like no college literature ever published before...this is College on the Rocks! What People Are Saying "Hilarious views on college and beyond. This book is a great selection of laugh-out-loud columns not just about the craziness of college

but also life in general. Tales of his wild college adventures were hilarious and had me reliving my own. But David Jakielo also easily manages to make topics such as recycling, plagiarism and the Democratic presidential caucuses funny and entertaining. The column in which David grows a beard to " go against the trend and embrace his body hair" had me stopping to wipe the tears from my eyes. I recommend this book to anyone who loves a good laugh and smart writing." Nicole Reig Duquesne University, 05 McMurray, PA "My son and his friends enjoyed the book College on the Rocks. As recent high school graduates, the book

provides a great introduction to the college years that lie before them." Karen Olson KLO Professional Billing Inc. Westmont, IL "I found David Jakielos book, College on the Rocks, highly entertaining. His views of college life and the motivation and habits of his classmates were unique and insightful. His reflections on the constant balancing of parents, professors, and money, while all the time pursuing girls, drinking, and a job, kept me entertained throughout the book." Douglas D. Since Studying is Overrated [My Odyssey Through the Underground Press](#) Oct 13 2022 In 1963, Michigan State University, the nation's first land grant college, attracted a record number of National Merit Scholars by offering competitive scholarships. One of these exceptional students was Michael Kindman. After the beginning of the Free Speech Movement in Berkeley, Kindman, in line to be editor-in-chief of the official MSU student newspaper, felt compelled to seek a more radical forum of intellectual debate. In 1965, he dropped out of school and founded The Paper, one of the first five members of Underground

Press Syndicate. This gripping autobiography follows Kindman's inspiring journey of self-discovery, from MSU to Boston, where he joined the staff of Avatar, unaware that the large commune that controlled the paper was a charismatic cult. Five years later, he fled the commune's outpost in Kansas and headed to San Francisco, where he came out as a gay man, changed his name to Mica, and continued his work as an activist and visionary.

How Student Journalists Report Campus Unrest Jul 22 2023

Former college student journalists discuss the challenges of reporting for the student newspaper during some of the most famous campus protests in the 1960s. Fast forward to the present and student journalists still face some of the same challenges when unrest came to their campus.

The Peak: a university student newspaper with a hard-hitting mix of inflammatory editorials, hastily thrown-together comics and reviews, and a news section run the only way self-taught journalists know how—sloppily. Alex and Tracy are two of The Peak’s editors, staring down graduation and struggling to keep the paper relevant to an increasingly indifferent student body. But trouble looms large when a big-money free daily comes to the west-coast campus, threatening

to swallow what remains of their readership whole. It’ll take the scoop of a lifetime to save their beloved campus rag ... With savage wit, intoxicating energy, and a fine-tuned ear for the absurd, Michael Hingston drags the campus novel, kicking and screaming, into the 21st century.

[Free Press](#) May 20 2023

Student journalism is a great outlet, where the needs, causes, and issues of being a teen can honestly be explored and shared. Within this endeavor, however, are various limitations including what is considered safe under free speech and what is not. Editor Sylvia Engdahl has carefully compiled several essays that

examine student journalism and a teenager's right to free speech.

Student Journalism & Media

Literacy Dec 23 2020 This comprehensive resource covers everything student journalists need to know in a rapidly changing media landscape.

Approachable and non-intimidating, this book features important concepts and examples from current school publications from around the country. Foremost, it teaches skills such as the fundamentals of good writing and the basics of newspaper layout and design. Also addressed, however, are topics that journalists are only now facing such as the responsibilities of

citizen journalists, managing a news website, and digital security for reporters in the electronic age. This textbook is on the cutting edge in teaching students how to navigate this evolving field. EBOOK PRICE LISTED IS FOR SINGLE USE ONLY. CONTACT US FOR A PRICE QUOTE FOR MULTI-USE ACCESS.

**Student Press and the
Hazelwood Decision** Jul 10
2022

This fastback examines Hazelwood School District v. Kuhlmeier (1988), the first high school student press case ever to reach the United States Supreme Court. The pamphlet reviews the background and implications of the Hazelwood decision and speculates as to how it will be applied to student expression in the

public high schools. Chapters include: (1) "Student Press and the Public Forum Doctrine"; (2) "Whatever Happened to Tinker?"; (3) "Strict Scrutiny v. Rational Relationship"; and (4) "Applying Hazelwood in the Public Schools." The fastback concludes that official censorship of the student press, and of student expression generally, seems to have been reborn with Hazelwood, because it now governs all student expression in curriculum-related or other school-sponsored activities. He ends up becoming friends with Jeremy, the jock who not only is impressed by the story that Scott recently wrote for the paper, but also is willing to help him with his aspirations on the basketball court. Scott is

invited to a massive rave called Motion by Nicole, one of Scotts closest friends and the most popular girl in school. He agrees to go with her and discovers Jeremy there as well, realizing that they share more than just science class and hoop dreams. By the end of the party, they begin to set in motion the events that will change both of their lives forever. Drowned World is Scotts heartbreaking and exciting story about coming out, lost love and friendship, and being found by both all over again. It is also the first book to also introduce the characters in Scotts world that would join him for the ride throughout and beyond. A

snapshot of queer love in the age of sex, drugs, and techno.

Freedom for the College Student Press May 28 2021
Journalism of Ideas Oct 01 2021
Journalism of Ideas is a comprehensive field guide for brainstorming, discovering, reporting, digitizing, and pitching news, opinion, and feature stories within journalism 2.0. With on-the-job advice from professional journalists, activities to sharpen your multimedia reporting skills, and dozens of story ideas ripe for adaptation, Dan Reimold helps you develop the journalistic know-how that will set you apart at your campus media outlet and beyond. The exercises, observations, anecdotes, and tips in this book cover every

stage of the story planning and development process, including how news judgment, multimedia engagement, records and archival searches, and various observational techniques can take your reporting to the next level. Separate advice focuses on the storytelling methods involved in data journalism, photojournalism, crime reporting, investigative journalism, and commentary writing. In addition to these tricks of the trade, *Journalism of Ideas* features an extensive set of newsworthy, timely, and unorthodox story ideas to jumpstart your creativity. The conversation continues on the author's blog, *College Media*

Matters. Reimold also shows students how to successfully launch a career in journalism: the ins and outs of pitching stories, getting your work published, and navigating the post-graduation job search. Related sections of the book highlight the art of freelancing 2.0, starting an independent site, blogging, constructing quality online portfolios, securing internships, and building a social media following.
