Deaths <7d admission from care home

Deaths <7 d of admission from care home / deaths in care home + deaths <7d of admission

Deaths <7 d of admission from care home / deaths in care home + deaths <7d of admission

But for CLAHRC would not have evidence-based:

- **Commissioning of services:**
 - PCT / CCG Board
- **Development of services:**
 - Hospice at Home, Share my Care, education
- **National policy:**
 - Literature reviews, Oldest Old, “Choice”
